Our Club House

We are nearly there!!.....**BIG THANKS to everyone for contributions financial or physical!**
In the photo …….Phil working hard on his knees …….but what **IS** Brian doing??????

And so…..
Despite everyone's best efforts unfortunately the building costs have exceeded our budget. The building team left with a few jobs unfinished. Subsequently members, with the help of Fran's two sons, have brought the building to its current habitable state.
On Saturday 27 May starting at 10am a Work Party has been arranged for **EVERYONE** to help move everything into the new building and also to do some necessary maintenance around the ground. **PLEASE COME IF YOU ARE ABLE.**

The overspend on the construction of the building means that CPCC needs to raise money with more fund raising events, preferably events that bring in other people's money.

Please let us know your suggestions for fund raising events.

Please continue to take special care around the building as there are still some hazards!!!

Tournaments

Two requests to all team captains……
1. If you are hosting a match at home please either
   a) check beforehand that all your catering needs are ready and available or…
   b) ask your team members to provide them or….
   c) contact the catering team **in good time** to alert them if you need to ask for help. marion.button@yahoo.co.uk
2. At the end of the day please ensure that
   a) the Clubhouse is left clean and tidy and
   b) your results are emailed to me. Acrofts857@aol.com

CPCC Summer Tournaments
All the information about the summer tournaments has been sent out in a recent email to all.
If you have any queries please contact Colin. colinbritt1945@hotmail.co.uk
The tournament starts on **Sunday 11 June** with the first part of the Handicap Singles.

League Tournaments have started. Unfortunately the following results are limited to what has appeared on WhatsApp. Despite polite requests most team captains haven't sent me their results. Apologies if your match is left out. The purpose of a newsletter is to ensure that **everyone** in the Club is up to date with what is going on…… **please** keep me posted!
