Club's colourful stall proves a hit with shoppers

For the fifth year running, Camerton and Peasedown Croquet Club were allotted a space in the Bath Christmas Market Charity Chalet.

This allowed club members to not only show off their crafting skills but to engage with the public and promote the game of croquet.

The sport is ideal for anyone who wants some gentle physical exercise and an enjoyable mental workout at the same time.

A spokesperson said: "Club members had been using their crafting skills throughout the year to produce a wide range of handmade Christmas gifts.

"These included aprons, hats, gloves, scarves and neck warmers, bags of all shapes and sizes and Christmas tree decorations. The soft toy mascots were reasonably priced and extremely popular with students.

"The stall was very colourful and the club members attending received some lovely compliments from their customers, particularly about the uniqueness of what was on sale and how well the goods were made."

This opportunity to sell Christmas goods in aid of a local charity, is offered by the Bath Christmas Market Licensing Team and Camerton and Peasedown CC were again grateful for this chance to raise funds towards improving the club's facilities.

They thanked the Bath Christmas Market organisers for allowing them the Charity Cabin pitch for the day.

Proceeds from the day of £649 will go toward improving facilities at Camerton and Peasedown Croquet Club. Read more about the game of croquet on the club website at *www.camertonpeasedowncroquet.co.uk.*

Camerton and Peasedown Croquet Club members Mo Boys and Ann Munton all ready for customers

Finally a gentle reminder…. When you are coming to play croquet please could you sign up in the Diary on our website. It is not essential but helpful for those who live a distance away to know they will have someone to keep them company!
If you have forgotten how to log on please contact Andy for help!
